AND EASIER.

## ORGANIZATIONAL

### TJ ORGANIZATIONAL STRUCTURE

Our group of customer mainly is China factories and trading companies, which account for 60%. So we have a lot of CIF DDU DDP shipments and need agents to help handle custom clearance and delivery. We prefer relationship “We support u and U support us”

## ► What else can TJ do for you?

**Booking:** We not only can offer you the competitive ocean freight, but also we can help use your own contract number to book with shipping lines like MSC, MSK, CMA, COSCO, ONE, HPL and so on.

**Warehouse service:** Based on the situation of one consignee but many suppliers, we can offer our warehouse to combine all suppliers' goods into one shipment or one container, and send the loading picture to you for customer.

In addition, our warehouse also provides services like palletizing, fumigation.

**Our broker:** We are a AA customs broker, which greatly reduces the inspection and improves the speed of customs clearance. And if really happen inspection, we also can speed up the processing of inspection.

In addition, we also provide document for customers who do not have import and export rights.

**Our trucking company:** Even when the trucking is lack like peak season or China holiday, we can ensure guarantee trucking space and stable trucking fee as normal situation.
